Call for Applications no. 004/PPGFSC/2019

SELECTION PROCESS SIMPLIFIED FOR ADMISSION TO THE DOCTORAL PROGRAM IN PHYSICS

The Coordinator of the UFSC Graduate Program in Physics (PPGFSC/UFSC), in the exercise of his statutory duties, attributed by the Normative Resolution nº. 95/CUn/2017, of 4 April 2017, and by the PPGFSC Bylaws, makes public and establishes the rules for the application process simplified destined to select students for admission to the PPGFSC Doctoral Program.

1. PURPOSE

1.1 This call for applications initiates the selection process simplified for admission to the PPGFSC/UFSC Doctoral Program, whose aim is to provide scientific and professional development through advanced studies and scientific research.

2. SCHEDULE

- Release of the call for applications on the program's website and notice board: July 15, 2019;
- Application period: from July 15, 2019, at 10 am, to July 25, 2019, at 5 pm;
- Approval of applications: July 26, 2019, after 5 pm;
- Deadline for filing appeals against the approval result: from July 26, 2019, at 5 pm, to July 28, 2019, at 5 pm;
- Release of approved applications after analyzing the appeals: from July 29, 2019, 5 pm;
- Final result: July 31, 2019, after 5 pm;
- Deadline for filing appeals against the final release: from July 31, 2019, after 5 pm, to August 1, 2019, at 5 pm;
- Release of final results after analyzing the appeals: August 1, 2019, after 5 pm;
- Pre-registration period: from August 1, 2019 to August 7, 2019.

3. APPLICATION PROCEDURES

3.1. Applicants may hold a master's degree in physics or in the exact sciences and/or engineering fields. This option will be referred to hereinafter as “doctoral admission with a prior master's degree”.

3.2. The PPGFSC/UFSC may accept applicants who hold a bachelor's degree in physics or equivalent diploma, even if they do not hold a master's degree. This option will be referred to hereinafter as “direct doctoral admission”.

3.3. To apply for admission to the doctoral program, the applicant must do the following:

a) **Fill in the online application form**, available at:

https://docs.google.com/forms/d/e/1FAIpQLSegRoiEOTqzNnsT4RWSz1dNHIQI-oZsZv88I-SjI-whMJggdA/viewform?usp=sf_link

b) Attach the following documents to the online form:

- **Digitized copy of a valid government-issued photo identification and of the CPF [individual taxpayer number];**
- **Digitized copy of the undergraduate diploma (double-sided).** For application purposes, exclusively for applicants who opted for the “direct doctoral admission” in their application form, other documents certifying that the degree will be completed before the date of registration in the PPGFSC/UFSC, as established in the UFSC academic calendar, will be accepted;
- **Digitized copy of the master's diploma (double-sided).** For application purposes, other documents certifying that the degree will be completed before the date of registration in the PPGFSC/UFSC, as established in the UFSC academic calendar, will be accepted;
- **Digitized copy of updated undergraduate transcript;**
- **Digitized copy of updated master's transcript;**
- **Digitized copy of the *Curriculum Lattes/CNPq*,** updated and available at <http://lattes.cnpq.br/>, containing the documents to certificate the inserted information (see item 4.6). Foreign applicants can present a *curriculum vitae* in free format.
- **Quantitative list of bibliographic production for curriculum analysis, duly completed** (see Annex I).

CAMPUS UNIVERSITÁRIO REITOR JOÃO DAVID FERREIRA LIMA - TRINDADE
CEP: 88040-900 - FLORIANÓPOLIS - SC
TELEFONE (048) 3721-2308
E-mail: ppgfsc@contato.ufsc.br

3.4. The total size of all attached documents cannot be over 25 MB (twenty-five megabytes).

3.5. Applicants are encouraged to provide up to 2 (two) recommendation letters from professors who know them as students. The letters have to be written in an appropriate form, available at:

<http://pgfsc.paginas.ufsc.br/files/2016/05/Carta-de-recomendacao.doc> and sent via e-mail to ppgfsc@contato.ufsc.br.

3.6. No late submissions will be accepted. No fax, mail and/or similar submissions will be accepted.

3.7. Applicants must inform in the online form (see item 3.2) their registration number in the *Exame Unificado de Pós-Graduações em Física – EUF* (Unified Exam of Graduate Studies in Physics) and the month when they took the EUF. Only one registration number will be accepted, corresponding to any of the 5 (five) last editions of EUF, including the 2018/2 edition.

3.8. In case more than one application from the same applicant is received, only the most recent application will be considered.

4. THE SELECTION PROCESS

4.1. The selection process for the doctoral applicants will consist of three partial grades: the EUF normalized grade (N1), the *curriculum vitae* evaluation (N2) and the master's score (N3).

4.2. The final grade (NF) will be the sum of N1, N2 and N3 ($NF = N1 + N2 + N3$).

4.3. The EUF normalized grade (N1) will be calculated by the formula:

$N1 = [(EUF\ Grade \times 5.0) / (EUF\ Average)]$, where the “EUF Average” refers to the average grade obtained in the EUF edition taken by the applicant. The N1 grade will be calculated to the second decimal place.

4.4. The applicant who obtains N1 lower than 1.5 (one point five) will be disqualified.

4.5. The N2 grade consists in the *curriculum vitae* analysis.

4.6 The applicant's *curriculum vitae* has to be sent along with supporting documents for all bibliographical production described in the CV, which will be analyzed by the Admission Selection Committee according to the following criteria:

- a) **Paper accepted by an indexed journal:** maximum of 1 (one) point per paper. It is necessary to provide a copy of the paper's first page;

TELEFONE (048) 3721-2308
E-mail: ppgfsc@contato.ufsc.br

b) **Complete papers published in conference proceedings:** maximum of 0.5 (zero point five) points per work. It is necessary to provide proof of submission and a copy of the paper;

c) **Paper submitted for publication in an indexed journal:** maximum of 0.5 (zero point five) points per paper. It is necessary to provide proof of submission and a copy of the paper;

d) **Oral paper presentation in conferences** It is necessary to provide the presentation certificate:

- maximum of 0.3 (zero point three) points per oral presentation;
- maximum of 0.1 (zero point one) point per panel presentation.

e) **Other items:** maximum of 1 (one) point for the sum of all items, including scientific initiation research, panels and participation in conferences. It is necessary to send documents that prove this information.

4.7. The maximum total score for the N2 grade will be 4 (four) points.

4.8. Greater importance will be given to publications in which the applicant is the main author and to the publications linked to their research area.

4.9. For applicants opting for the “doctoral admission with prior master’s degree”, the N3 grade will be calculated by the formula $N3 = [2 - (M-24)*0.05]$, where M is the number of months elapsed between admission and completion of the master’s degree.

4.10. For the degree length calculation, the applicant must provide a **document stating the date (month/year)** of admission and completion of the master’s degree.

4.11. The applicant who does not hold the master’s degree yet must provide a statement from their supervisor indicating the expected date of degree conferral.

4.12. For applicants opting for the “direct doctoral admission”, the N3 grade will be zero.

4.13. Applicants opting for the “direct doctoral admission” must necessarily:

- a) Obtain final grade (NF) higher or equal to 7 (seven);
- b) Have carried out scientific initiation research, or similar scientific activity, for a minimum period of 1 (one) year.

5. RESULTS RELEASE

5.1. The result of the selection process will be released online on the website: ppgfsc.posgrad.ufsc.br and on the PPGFSC/UFSC notice board on the date provided in the item 2 of this call.

6. APPEALS

6.1. Applicant will be guaranteed the right to appeal against the application approval decision and the released ranking list.

6.2. The appeal must be reasonable, consistent and follow a logical argument.

6.3. The appeal must be addressed to the Admission Selection Committee, and submitted via e-mail to: ppgfsc@contato.ufsc.br.

6.4. No late appeals will be accepted. No fax, mail and/or similar appeals will be accepted.

7. THE SELECTION RANKING

7.1. The final ranking list will follow the descending order of the grades obtained by each applicant.

7.2. In the event of a tie, the tiebreaker will be decided by the analysis of the applicants' academic records.

7.3. The applicants will be ranked after the Committee's analysis which will establish the minimum grade for approval.

8. TERM

8.1. The results of this selection process will be effective from the date of results release until the date of the next semester's selection process.

9. GENERAL PROVISIONS

9.1. The approval in the selection process ensures to the applicant only the expectation of the right to admission into the PPGFSC/UFSC, being this admission as well as the granting of scholarships subject to the fulfillment of the relevant legal provisions, the strict ranking order, the scholarship committee's decision as recorded in its meeting minutes, and the term of this selection process.

9.2. The invitation for admission to the PPGFSC/UFSC doctoral program will be sent via e-mail to the applicant, to the e-mail address provided by the applicant in the online application form.

TELEFONE (048) 3721-2308
E-mail: ppgfsc@contato.ufsc.br

9.3. Failure to send all the requested documents will exclude the applicant from the selection process.

9.4. Applicants will not be provided with any proof of qualification in the selection process, serving for this purpose the final results released on the PPGFSC/UFSC website and notice board.

9.5. A student's application or admission may be canceled at any time if any statement is found to be false and/or any irregularity is detected in the supporting documents submitted with the application.

9.6. Submitting an application implies understanding and tacit acceptance of all the conditions established in this call and in other regulatory notices pertaining to this selection process, of which the applicant cannot claim ignorance.

9.7. The PPGFSC office will contact all the approved applicants, through the e-mail address provided in the application form, to inform about the pre-registration procedures. The pre-registration period is from August 1, 2019 to August 7, 2019. If an applicant decides not to enter the PPGFSC, he or she shall send an e-mail to ppgfsc@contato.ufsc.br informing the withdrawal.

9.8. The applicant who is granted a scholarship and does not pre-register at the PPGFSC office within the pre-registration period will have the scholarship canceled and the next applicant in the ranking list will be contacted.

9.9. After admission to the doctoral program, the student who opted for the "doctoral admission with prior master's degree" must present, until five business days before the beginning of the 2nd semester of 2019 academic semester, a proof of master's degree completion or a statement indicating that the master's defense will take place up to thirty days after the beginning of the 2nd semester of 2019 semester, as defined in the UFSC academic calendar for Graduate Programs.

9.10. After admission to the master's program, the student who opted for the "direct doctoral admission" must provide, until five business days before the beginning of the 2018/2 academic semester, a copy of the undergraduate diploma, or proof of degree conferral, or a statement indicating that the degree will be conferred up to thirty days after the beginning of the 2018/2 semester, as defined in the academic calendar for Graduate Programs.

9.11. Failure to present at least one of the listed documents in item 9.9 or 9.10 will result in the disqualification of the applicant.

9.12. The PPGFSC/UFSC will release, whenever necessary, calls, complementary rules and official notices about the admission process.

Annex I - Quantitative list of bibliographic production for curriculum analysis, duly completed

*** In the field "Quantity" enter the number of items of this production listed in your curriculum and number of months for scientific initiation.**

Productions listed in letters a, b, c and d of item 4.6 of the Call for Applications	
Description	Quantity*
Paper accepted by an indexed journal	
Complete papers published in conference proceedings	
Paper submitted for publication in an indexed journal	
Oral presentation in conferences	
Panels presentation in conferences	

Other items	
Description	Quantity*
Scientific initiation research (number of months)	
Participation in conferences
